AND SCIENCE EDUCATION

March 29, 2012

To Whom It May Concern:

I fully support Jerry Johnson, the work he is doing in the community, and his advancement toward becoming an attorney. As a Michigan State Senator, I personally worked with Mr. Johnson. Mr. Johnson is dedicated, motivated, and intelligent and served as a legislative intern/assistant in my office. He is a good researcher, writer, and has great communication skills. I will never forget his gracious demeanor and his strong work ethic.

I request that you give Mr. Johnson full and fair consideration when examining his employment, volunteering, and academic credentials. If you have any questions concerning my recommendation, please do not hesitate to contact me.

Best Regards,

Hansen Clarke
Member of Congress
